

As a special addition to the exhibition, Arts Illiana will be launching a drive to collect art supplies for Wabash Valley art educators. “The Small ART, Big HEART” drive will be open beginning the evening of the opening reception. Patrons are encouraged to bring a donation of arts supplies to aid art teachers throughout the school year. A list of needed supplies is posted on the Arts Illiana Arts Vine, Facebook page, and website under the Gallery tab “smallART2025.” The donations will be accepted throughout the run of the small art exhibition which will run through January 26, 2026. We look forward to supporting the talented, hard-working art educators serving the youth of our region!
