

ARTS ILLIANA PRESENTS

TABLESCAPES JUNIOR!

Arts Illiana Presents “TableScapes Junior” to celebrate the creativity in every child! We are looking for organizations that serve children and K-12 teachers to participate in a special exhibit during Tablescapes 2024. These tables will be displayed at Tablescapes event at the Sycamore Banquet Center, Indiana State University Campus.

- Children should be involved in the design process as well as the creation of the table display. They do not need to be present at the setup time, however.
- There are no specified themes. We encourage imagination and the celebration of creativity and design.
- The tables are 30” in diameter. TWO place settings are required. No chairs.
- These restrictions apply: No granular substances. No glitter. No open flames. Nothing adhered to the walls.
- Let us know if you need electricity. There are limited outlets.
