About the Event

The 2026 End of Summer Art Clearance Extravaganza is your chance to dive into a pop-up treasure hunt for art! For a limited time, The Gallery at Arts Illiana will be bursting with original works that local artists are ready to send off to new homes. Think of it as a creative clean-out — Studios are being cleared, prices have been lowered, and every piece comes with its own story. Come browse, snag an incredible deal, and help fuel our mission to keep art, creativity, and inspiration thriving in our community.

(Proceeds: 70% of each sale goes directly to the artist; 30% supports The Gallery at Arts Illiana programs.)

Artist Submission/Participation Guidelines

- Eligibility: Open to artists from The Gallery at Arts Illiana's six-county region (Clay, Parke, Putnam, Sullivan, Vermillion, and Vigo) and Illinois counties of Clark and Edgar.
- Artwork Age: No restriction on when the artwork was created.
- Mediums Accepted: 2D, 3D, and mixed media. All work must be **ORIGINAL and FOR SALE**.
- Jewelry is permitted but must be presented in a professional display manner — either framed for wall display or mounted on an attractive base suitable for a pedestal.
- Number of Pieces: Up to 3 works per artist. Maximum size: 36" × 36" × 36" for 3D work and 36" × 36" for 2D work.
- Pricing: Artists set their own prices. **Because this is a clearance sale, we encourage artists to price work affordably to make it accessible to new collectors while still honoring the value of their creativity.**
- Condition: All artwork must be clean, undamaged, and display-ready.
- Display Requirements: 2D works must have a secure hanging wire (no sawtooth hangers). 3D works must be stable and safe for public display.
- Labels: Each artwork must be labeled with the artist's name, title, medium, and price using the provided label template.

Exhibition Standards

This is a non-juried exhibition; however, The Gallery at Arts Illiana reserves the right to refuse any artwork that does not meet the event's presentation standards, safety requirements, or is deemed inappropriate for display. All accepted work must be prepared for professional gallery presentation and ready for installation.

Exhibition Capacity & Submission Process

All participating artists must complete the online submission form (<https://forms.gle/ysPgeMjhdAYD1pHi8>) between July 27th and August 5th, 2026, by 5:00 PM. The form will request the number of pieces you wish to enter, along with the title and medium of each work.

While this is a non-juried exhibition, The Gallery at Arts Illiana reserves the right to make final selections once the submission period closes. Selections will be based solely on the gallery's available display space and the overall balance of the exhibition. This means that not all submitted works may be included in the final installation. For all artists selected to exhibit, if an artwork sells, you are welcome to replace it with another piece that fits within your assigned display space. We'll contact you after a sale so you can deliver a replacement. (Exhibition Standards still apply)
